Brief Description of the University, Key Facts (4-10 sentences)

Situated in southwestern Ontario, university's beautiful 330-hectare campus supports a community of over 18,000 undergraduate and 2500 graduate students, including over 1200 international students from around the world. The students benefit from an innovative curriculum that spans the arts, humanities, commerce, physical and natural sciences, and social sciences. The University has over 800 full-time faculty and students are also supported by more than 2,100 full-time staff. University of Guelph is consistently ranked as one of Canada's top comprehensive universities due to our commitment to student success and innovative research. In recent International Student Barometer surveys, UofG ranked No. 1 for overall Learning, living and student support, and had the highest overall average among participating universities in Ontario and Canada.
